

Bulgaria-Italy Bilateral Cooperation Project

Models and strategies for Public-Private Partnerships (PPP): Case studies from Italy and potential applications in North-Western Planning Region

Vidin, 13th November 2007
Municipal Building
2 "Bdintzi" sqr. (1st Floor)

The models of Public-Private Partnerships (PPP) have proved to be one of the successful alternatives for financing investment projects in the public sector, giving the chance for faster realisations, better quality of the services rendered and better value for money.

The present Conference, organised within the framework of a bilateral cooperation project between the Ministry of Finance of the Republic of Bulgaria and the Ministry of Economic Development of the Republic of Italy, will present the experiences accumulated in Italy in the implementation of project financing, the experience of the Bulgarian Ministry of Finance in the elaboration of Methodological Guidelines for PPP projects, as well as analyses of existing legal, regulatory and institutional frameworks for PPP.
