**Ricerca e innovazione per la
competitività dei territori: come
orientare la politica di sviluppo.**

Roma, 11 luglio 2005

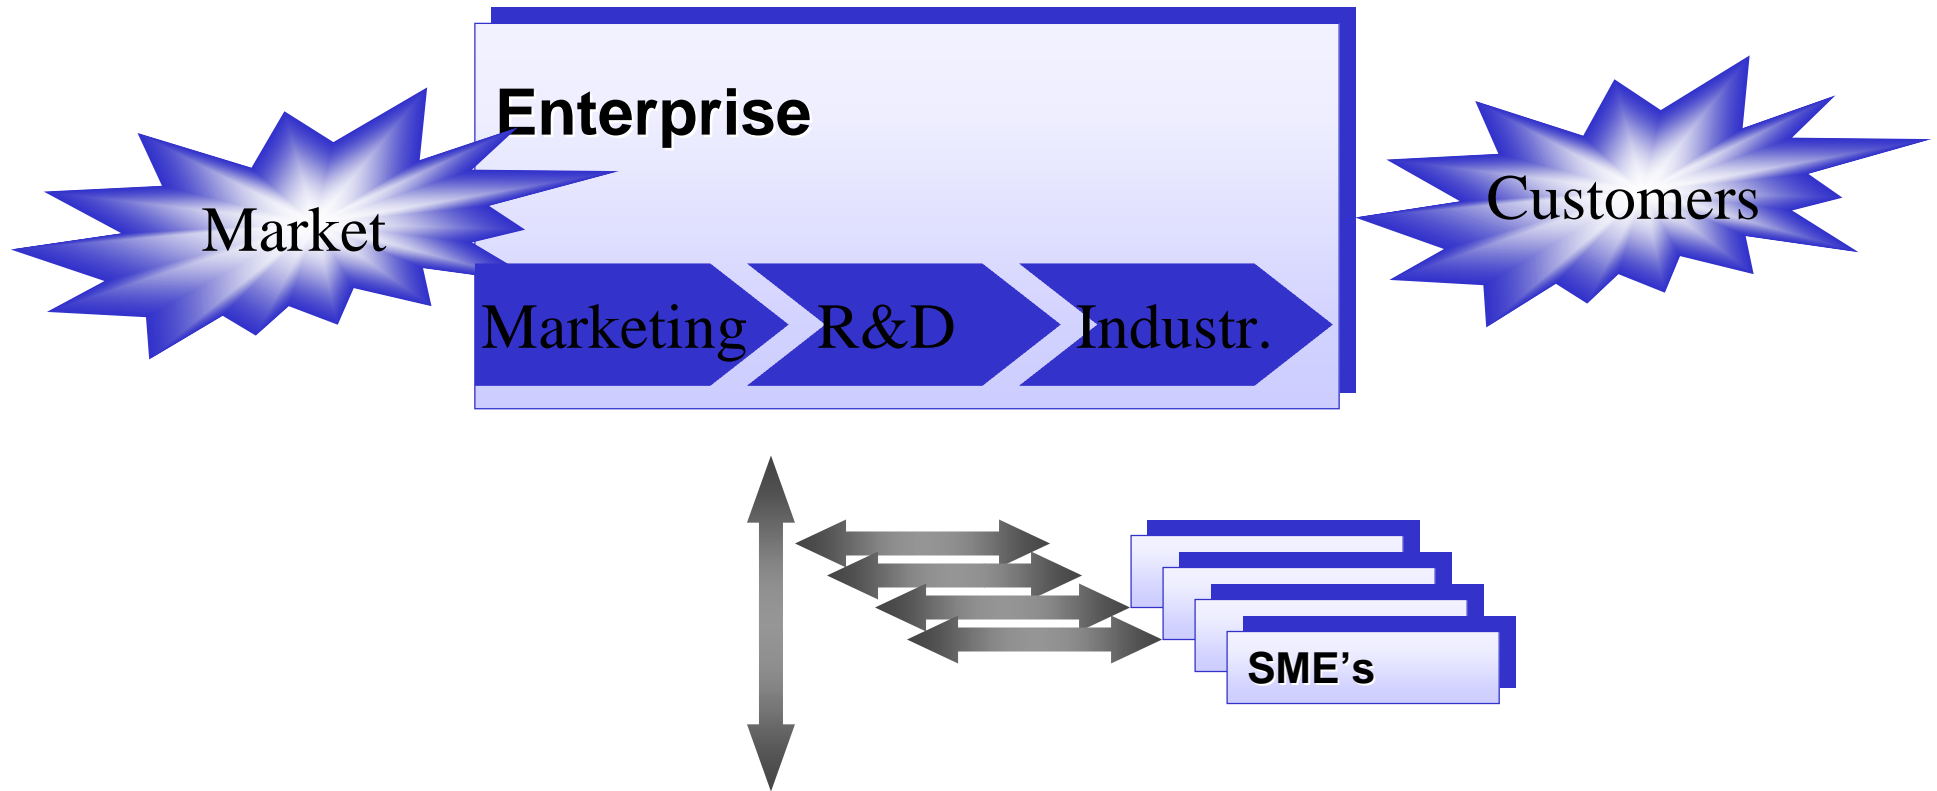

Scenario industriale nazionale

- **Grande impresa** impegnata in un processo di Internazionalizzazione
- **piccola media impresa** alla ricerca di modelli di sviluppo per affrontare il mercato globale.

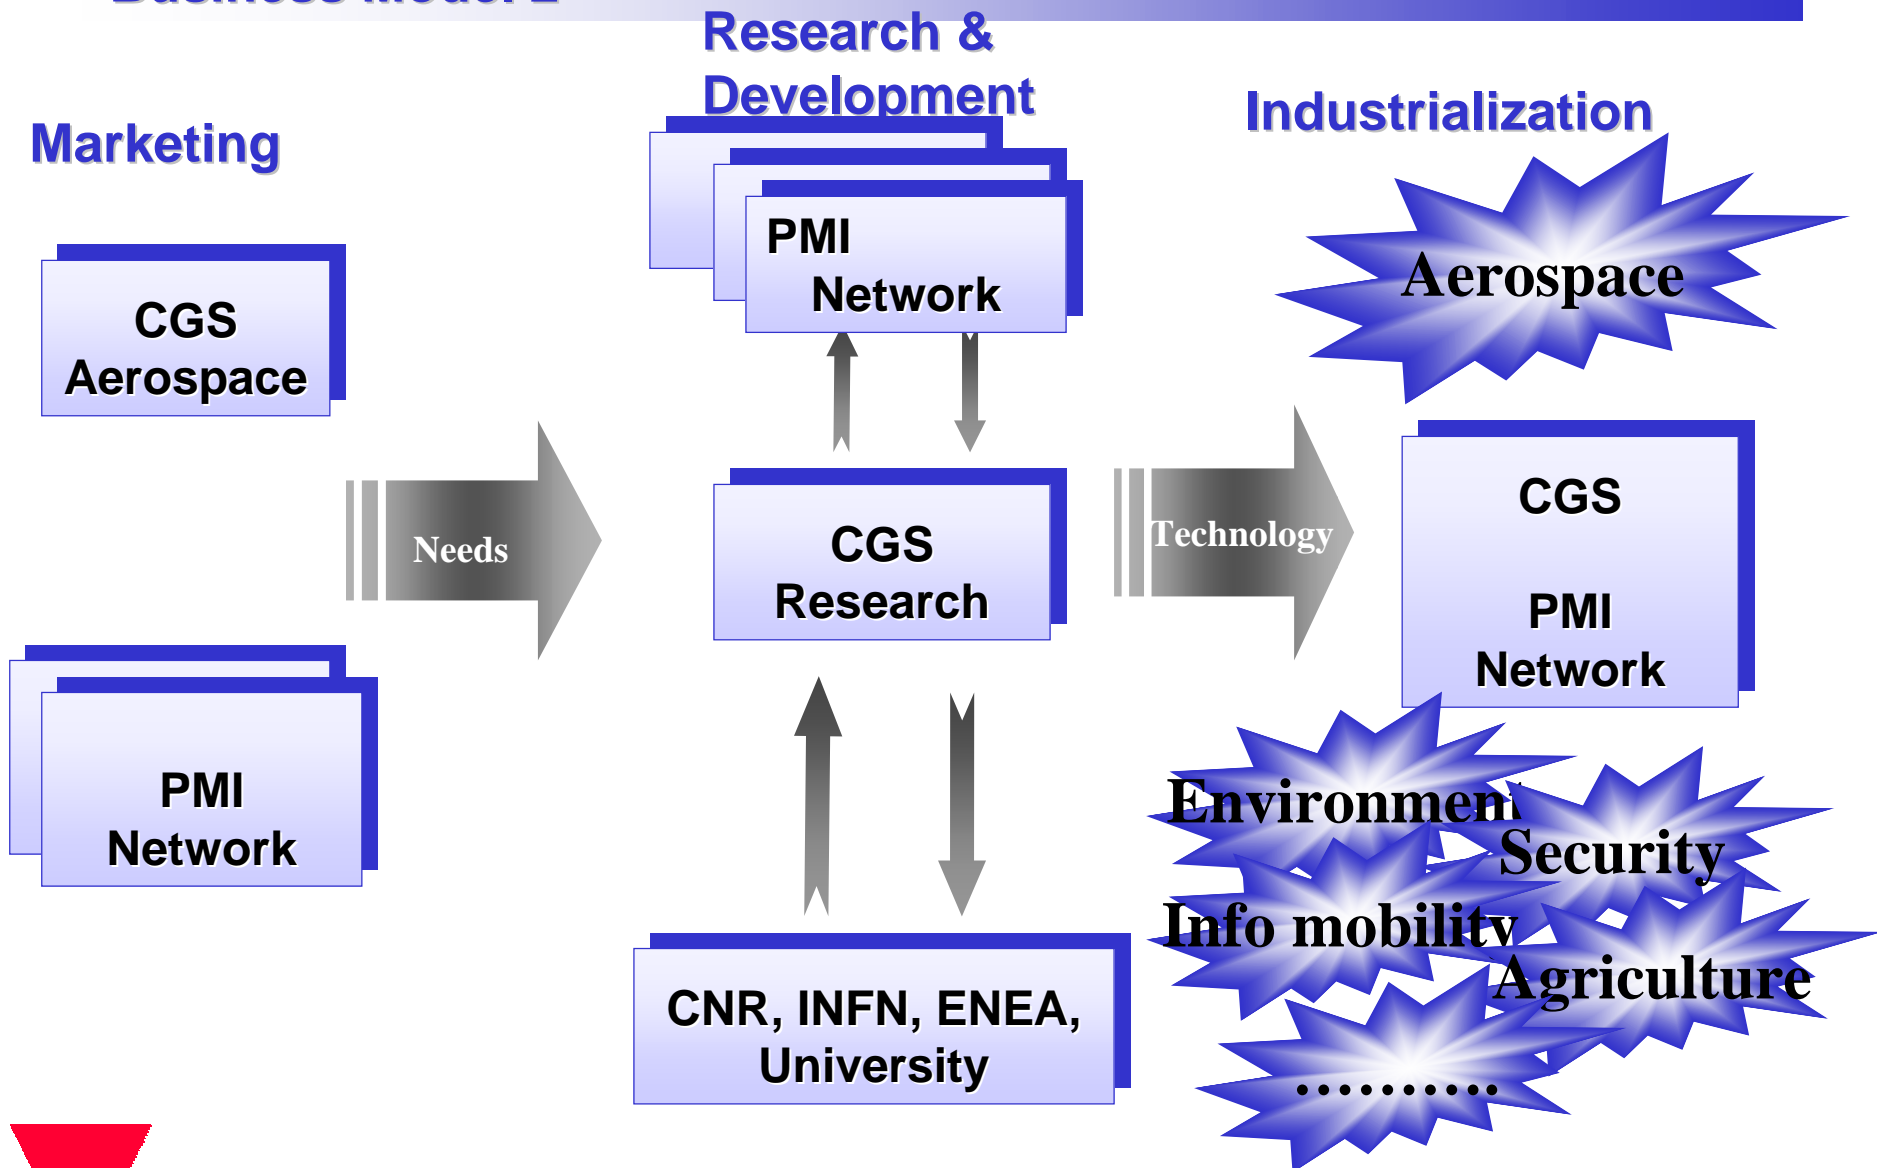

I processi in corso sono caratterizzati dal declino di parte della grande impresa e dalle difficoltà delle PMI isolate all'interbo del sistema produttivo basato principalmente sulla sub-fornitura .
